Thank you for considering supporting a cause that is so close to our heart!

The **Lil Mac Kids Foundation** is an organization formed to assist needy families in Ohio with children diagnosed with Autism Spectrum Disorder (ASD). Each year the Foundation will award funds to families in financial need.

In life, sometimes you choose your destiny – and other times life chooses for you. The latter is certainly true for us. We were thrust into the world of Autism after our son Mitchell, now 12, was diagnosed back in 2001.

"Lil Mac"

With the proper therapies many children with ASD are capable of living more productive and self supportive lives. Due to the costs of these programs many families are unable to provide early intervention and on-going therapy for their children. Our goal is to provide financial assistance to help bridge this gap.

With your help this year we can make a difference in the life of a child and family that have been affected by ASD.

Lil Mac Kids Foundation is a 501(c)3 organization. Please see if your company will match your donation.
